Hi Christine,

Sorry to not get back to you sooner. I had a phone call with colleagues in our HQ Friday but didn't send out an email before the end of the day to close the loop with you all. They agreed with the June 17-21 option. I'll call you shortly to discuss some other details to work on.

Thanks,

Subject: WQS Academy Sacramento

Hi Stephen,

I wanted to follow-up regarding our conversation last week. Have you heard from EPA management about what they would like to do regarding the 2019 WQS Academy? Whether or not the WQS Academy Training should be shortened to April (2-5) or changed to either June 17-21 or 24-28. I requested to have the Klamath Room put on hold for the proposed dates. Once decided, the MOU can be edited to reflect change and be sent to our management for review and approval.

Thanks Stephen for working with us.
